RETIRED PAY—*continued.*

ROYAL MARINE OFFICERS—*continued.*

Officers who wish to continue to serve after the termination of Hostilities will be permitted to do so, and in that event they will be eligible for Retired Pay as laid down in paragraph 2 below.

Officers will also be eligible to retire at any time after the close of Hostilities on the same rate of Gratuity or Retired Pay laid down above, for which they would have been eligible at the close of Hostilities, should they elect to retire before becoming eligible for the rate of Retired Pay in 2 below.

2. Lieutenants or Captains will be granted Retired Pay according to the following scale:—

After	15	years'	service	...	...	...	...	£80
,,	16	,,	,,	...	...	...	...	85

,,	23	,,	,,	...	...	...	...	180
,,	24	,,	,,	or more	...	...	..	200

Service will reckon from the age of 18. Service in the Ranks will count as half, and service as Warrant Officer will count as full time in reckoning the service above.

Retirement will be compulsory at the age of 55 as under present rules, or earlier in the case of the Officer being found unfit for further active service.

By Order in Council of 13th March, 1917, the above rates of Retired Pay are applicable to Warrant Officers and Non-Commissioned Officers who had been discharged to Pension prior to Hostilities, or who have since completed time for Pension and have been granted temporary Commissions.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, or Retired Pay and gratuity in cases where the same depend upon seniority; and it may carry with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*vide* par. 8) and a Qualifying Examination in educational subjects (*vide* para. 9).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

The Interview Committee will sit shortly before the date fixed for each Qualifying Examination.

* Candidates are eligible only for one Interview and Qualifying Examination.

predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. A memorandum is issued by the Admiralty which gives details of the physical requirements of Candidates. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician nominated by the Medical Consultative Board, and a specialist in the particular defect which caused the disqualification of the Candidate, to be selected from a list drawn up by the Consultative Board.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

For all Cadets entering under these regulations ent will be at the rate of £75 per annum for the l under training at the Colleges, to be paid in of £25 every term in advance to the Cashier of ank of England on receipt of claim from the ntant-General of the Navy. But the Lords missioners of the Admiralty reserve the power ecting from among the Cadets entered on each ion subsequent to November, 1913, a number xceeding 25 per cent of the entries, with re- to whom the annual payment will be £40 only paid in sums of £13 6s. 8d. every term in ce). A proportion of those admitted at the ed scale will be sons of Officers of the Navy, , or Marines, or of Civil Officers under the l of Admiralty, the reduced scale being reserved ch boys up to a maximum of 10 per cent. of the entries on each occasion. The reduced scale e allowed only in cases where the pecuniary nstances of the parents are, in the opinion of ords Commissioners of the Admiralty, such as tify it. *Forms* of application for admission at duced scale will be issued in respect of all dates who are selected after interview to the Qualifying Examination, and when duly in should be returned as soon as possible *by parents as desire to make application for the ed scale.*

the rank of Acting Sub-Lieutenant, and thereafter a private allowance of £20 a year for so long as he remains an Acting Sub-Lieutenant with pay at the rate of 3s. 6d. a day.

19. The parent or guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Arrangements are made for the conveyance from Portsmouth to Osborne of the Cadets who are joining the College for the first time. Such Cadets should assemble at the Dockyard Gates (near Portsmouth Harbour Station) shortly before 3 p.m. on the day appointed for joining. Cadets rejoining the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their Linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

26. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or Guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate drawn up in the necessary Form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received.*

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

27. Letters relative to the Cadets should be addressed to:—"*The Commanding Officer*, Royal Naval College," or "*The Commanding Officer*, H.M.S. ———," and not to the Captain by name.

Parents or Guardians of Cadets must, in all cases of permanent change of residence, inform the Admiralty and the Commanding Officer of the College or the Cruiser without delay.

28. The course of study includes the following subjects:—

Mathematics, with Geometrical Drawing.

History, including Naval History.

Geography.

Bible Study.

Drill and Physical Training.

A large proportion of the time of the Cadets is given to the practical study of Engineering in the Workshops and Instructional Steamboats attached to the Colleges, and also in the Training Cruisers.

29. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

30. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge, which does not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination.

First, Second and Third Classes will be awarded, and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	-	2 months.
For a Second Class	-	1 month.

Time will also be awarded for the course in the Training Cruiser which will similarly count towards promotion to Sub-Lieutenant:—

For a First Class	-	1 month.
For a Second Class	-	½ month.

The greatest amount of time that can be gained on passing out as Midshipman is accordingly three months.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) They fail to reach a satisfactory standard, or

(2) Their conduct is unsatisfactory, or

(3) They are unsuitable for the Naval Service.

32. It is to be distinctly understood that the period of training, including the time spent in the Training Cruiser, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,

W. GRAHAM GREENE.

1. Every Candidate for admission into the Medical Department of the Royal Navy must be not under 21 nor over 28 years of age on the day of the commencement of the competitive examination. He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth.

2. He must declare:—

(1) His age and date and place of birth.

(2) That he is of pure European descent* and the son of natural born British subjects.

(3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.

(4) That he is ready to engage for general service at home or abroad, as required.

(5) Whether he holds, or has held, any commission or appointment in the public services.

(6) That he is registered under the Medical Act, giving the date of his registration as a medical student, or of his beginning professional study.

(7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W., to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (*See* heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps will be credited at the entrance examination with additional marks as follows:—Candidates in possession of Certificate A will receive 1 per cent. and those who possess Certificates A and B, 2 per cent. of the maximum number of marks allotted.

10. A Candidate will not be allowed to compete in more than two examinations.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon to the Royal Navy and will be required to pass through such courses of instruction as the Admiralty may decide. (*See* under the heading Examinations.) At the end of the courses the Acting Surgeons will be examined, and, after he has passed, will be given a commission as Surgeon in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed to pay from Naval Funds, and the period will be counted as service for either promotion, with or without gratuity, or retirement after 20 years' service.

12. A gold medal, a silver medal and three Naval Regulation pocket cases will be awarded as prizes in connection with these examinations; and the name of the Medallist will have a distinguishing mark against his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer to a recognised civil hospital, may be allowed to retain such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval Funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and for pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain in the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the list of "Acting Surgeons' Course," and will be required to obtain qualifying marks. Surgeons entered by this competition will take seniority next after the last surgeon entered at the same time by competition.

15. Surgeons on entry are required to provide themselves with a regulation pocket case of instruments.

15*a*. Acting Surgeons under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 1 (Undress) and No. 7 (Mess Undress), omitting the trousers, sword and belt. Foreign Office, March 10, 1914.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, Institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

Firstly.—It is ordained that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the ribband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a particular claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act is rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed is under the eye and command of the Admiral or General Officer commanding the Fleet or Army.

II. Where the Naval or Military force is not under the eye and command of an Admiral or General Officer commanding a squadron or detached naval force, or of a General commanding a corps, or detached brigade on a distant and detached service, in which such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such acts of bravery have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the Decoration shall prove the act to the satisfaction of the Admiral or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the proper channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall take such steps for such description and attestation of the act as he may think requisite, and on approval recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person recommended for the Cross, under rule seven, shall be invested or decorated before the Naval or Military force to which he belongs, and with which the act of bravery for which he is to be rewarded has been performed, and his name shall be mentioned in a General Order, together with the circumstances of especial distinction.

Tenthly.—It is ordained that every person recommended under rule eight shall receive his decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such Order in every case to be issued by the Naval or Military Commander-in-Chief of the Forces employed on the service.

Eleventhly.—It is ordained that the Commanders-in-Chief Orders above referred to, shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may occur not falling within the rules above specified, in which a claim, though well founded, may not have been established on the spot, We will, on the report and submission of Our Secretary of State for War, of Our Commander-in-Chief of Our Army, or of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Digitized by Google

rteenthly.—It is ordained that, in the event of Naval and military act having been performed by a dron, ship's company, a detached body of Sea- and Marines not under fifty in number, or by a ade, regiment, troop, or company, in which the ntal, General, or other Officer commanding such es, may deem that all are equally brave and ing distinguished, and that no special selection can be e by them; then, in such case the Admiral, eral, or other Officer commanding, may direct, for any such body of Seamen or Marines, or for y troop or company of Soldiers, one Officer shall selected by the Officers engaged for the Decoration In like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty ers and Non-Commissioned Officers engaged; two Seamen or Private Soldiers or Marines, shall selected by the Seamen, or Private Soldiers, or nes engaged respectively, for the Decoration: the names of those selected shall be transmitted the Senior Officer in command of the Naval force, ade, regiment, troop, or company, to the Admiral General Officer commanding, who shall in due ner confer the Decoration as if the acts were e under his own eye.

Fourteenthly.—It is ordained that every Warrant er, Petty Officer, Seaman, or Marine, or Non-missioned Officer or Soldier, who shall have ived the Cross shall, from the date of the act which the decoration has been gained, be entitled Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moveover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

QUALIFICATIONS FOR THE VICTORIA CROSS.

MEDALS, ANNUITIES, AND GRATUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of the Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of His Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

By Order in Council of 22nd February 1896, the grant of an Annuity may be extended at the discretion of the Lords Commissioners of the Admiralty to all recipients of this Medal, whatever their rank or rating may have been when the Medal was awarded, on their promotion to Chief or First-class Petty Officers of the Navy, or Sergeants of Royal Marines

By Order in Council of 20th May, 1903, a Seaman or Marine holding the Conspicuous Gallantry Medal unaccompanied by an Annuity may be awarded, at the discretion of the Admiralty, a gratuity of £20 on discharge at the completion of his term of active service, or on being invalided from the service, or on promotion to a commission.

A Seaman or Marine, who has been awarded the Distinguished Conduct Medal for service under the War Office may be awarded, at the discretion of the Admiralty, a gratuity of the same amount, when similarly discharged from the service or promoted to commissioned rank, except when such seaman or marine may be in possession of the Naval Conspicuous Gallantry Medal accompanied by an Annuity.

By Order in Council of 27th June, 1916, annuities awarded with the Naval Conspicuous Gallantry Medal may be retained by Seamen and Royal Marines who are promoted to permanent or temporary Commissioned Rank (other than that of Quartermaster in the Royal Marines).

Petty Officers, Non-Commissioned Officers, and Men who, having been awarded the Conspicuous Gallantry Medal, again perform such service as would entitle them to the award of the same Medal, had they not already received it, may be granted the addition of a bar to the Medal previously conferred. —(*Order in Council of 27th June*, 1916.)

Whereas We have taken into Our Royal consideration that the means of adequately rewarding the distinguished services of Officers in Our Naval and Military Services who have been honourably mentioned in Despatches are limited; now for the purpose of attaining an end so desirable as that of rewarding individual instances of meritorious or distinguished service in war, We have instituted and created by these presents, for Us, Our Heirs and Successors, do institute and create a new Naval and Military Order of Distinction—to be designated as hereinafter described—which We are desirous should be highly prized by the Officers of Our Naval and Military Services, and We are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall henceforth be inviolably observed and kept;

Firstly. It is ordained, that this Order shall henceforth be styled and designated the "Distinguished Service Order."

Secondly. It is ordained that the Order shall consist of the Sovereign, and of such members or Companions as We, Our Heirs or Successors, shall appoint.

Thirdly. It is ordained that We, Our Heirs and Successors, Kings and Queens Regnant of the United Kingdom of Great Britain and Ireland, Emperors and Empresses of India, are and for ever shall be Sovereigns of this Order.

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

Sixthly. It is ordained that when We, Our Heirs and Successors, shall be pleased to appoint any person to be a Member of this Order, such appointment shall be made by Warrant under our Sign Manual, and countersigned by one of Our Principal Secretaries of State.

Seventhly. It is ordained that the decoration of this Order shall be and shall be worn as is hereinafter set forth.

EDWARD R. & I.

EDWARD, by the Grace of God, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, Sovereign of the Distinguished Service Order, to all to whom these presents shall come, greeting:

The 15th day of June, 1901.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of June, 1901, in the words following, viz.:—

"We beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to institute a Decoration to be designated the Conspicuous Service Cross, and to consist of a Silver Cross, with the reverse side plain, but having on the obverse side in the centre Your Majesty's Imperial and Royal Cypher, E.R.I., surmounted by the Imperial Crown.

"We would beg leave to recommend to Your Majesty that this Decoration be awarded for meritorious or distinguished services before the Enemy performed by Warrant Officers, or Acting Warrant Officers, or by subordinate Officers of Your Majesty's Fleet; and that no person shall be nominated thereto unless his services shall have been marked by the especial mention of his name in despatches by the Admiral or Senior Naval or Military Officer Commanding the Squadron or detached Force.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of October, 1914, in the words following, viz.:—

"Whereas his late Majesty King Edward VII. was graciously pleased, by his order in Council dated the 15th June, 1901, to institute a Decoration designated the Conspicuous Service Cross, to be awarded for meritorious or distinguished services before the enemy performed by Warrant Officers, or Acting Warrant Officers, or by Subordinate Officers of His Majesty's Fleet; the award of this Decoration to carry with it the right to have the letters C.S.C. appended to the Officer's name

"And whereas we are of the opinion that it would be desirable to enable the said Cross to be granted also to Commissioned Officers of Your Majesty's Navy below the rank of Lieutenant-Commander, for meritorious or distinguished services in cases where those services may not be considered sufficient to warrant the appointment of such Officers to the Distinguished Service Order, and also that the designation of the Decoration should be modified:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the award of the said Cross to Commissioned Officers below the rank of Lieutenant-Commander in addition to those Officers who are already eligible under the Order in Council above recited.

"We beg leave to recommend that the said Cross may be designated henceforward, in these and all other cases, as the Distinguished Service Cross, instead of the Conspicuous Service Cross, and that the award of this Decoration may carry with it the right to have the letters D.S.C. appended to the Officer's name.

"We further beg leave to recommend that the Cross should bear on the obverse Your Majesty's initials in lieu of those of His late Majesty King Edward VII."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ALMERIC FITZROY.

Also that, in the event of any Officer, who has already received the Distinguished Service Cross, again performing services before the enemy which would have entitled him to the Cross if he had not already received it, such further services shall be recorded by a Bar attached to the Riband by which the Cross is suspended and that for every further occasion of such services an additional Bar shall be added.

And whereas the said Warrants were subsequently amended and all the Warrants relating to these Decorations were consolidated by a Warrant under the Sign Manual bearing date the 5th June, 1905:

And whereas it is Our Pleasure to amend the style of the said Decorations:

We are graciously pleased to make, ordain and establish the following Rules and Ordinances for the government of the Decorations: -

I. It is ordained that the Decoration in each case shall be styled "The Albert Medal"; but when it is awarded for acts of such extreme and heroic daring as to merit a special degree of recognition, it shall be styled "The Albert Medal in Gold."

II. It is ordained that The Albert Medal shall consist of a bronze oval shaped Badge or Decoration, having in the centre a Monogram composed of the letters V. and A. erect upon an enamelled background, surrounded by a Garter inscribed in raised letters "For Gallantry in Saving Life at Sea," or "For Gallantry in Saving Life on Land," as the case may be, and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort; but when the Medal conferred is "The Albert Medal in Gold," it shall consist of a gold oval-shaped Badge or Decoration having in the centre a Monogram composed of the letters V. and A. erect in gold upon an enamelled background, surrounded by a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life at Sea," or "For Gallantry in Saving Life on Land," as the case may be, and surmounted by a representation in gold of the Crown of His Royal Highness the lamented Prince Consort. When the Medal is given for gallantry in saving life at sea, the letters V. and A. shall be interlaced with an anchor erect in bronze or gold, as the case may be.

The Medal shall be suspended from a riband of an inch and three-eighths in width, having two white longitudinal stripes; in the case of the "Albert Medal in Gold" the riband shall have four white longitudinal stripes.

The colour of the enamel and riband shall be dark blue when the Medal is conferred for gallantry in saving life at sea, and crimson when it is conferred for gallantry in saving life on land.

III. It is ordained that the Medal shall only be awarded to those of Our faithful subjects who, in saving or endeavouring to save the lives of others from perils of the sea, or from perils on land, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Provided always that where the Medal is conferred for gallantry in saving life at sea, the preliminary steps and inquiry shall, if the award be to anyone belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

IV. It is ordained that the names of those persons upon whom We may be pleased to confer the Medal shall be published in the "London Gazette." Where the Medal is conferred for gallantry in saving life on land a Register of such names shall be kept in the Office of Our Principal Secretary of State for the Home Department. Where the Medal is conferred for gallantry in saving life at sea a Register of the names of such of these persons as belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Lords Commissioners of the Admiralty, and a Register of the names of such of these persons as do not belong to the Royal Navy or the Royal Marines shall be kept in the Office of the Board of Trade.

V. It is ordained that the Medal shall be worn suspended from the left breast.

VI. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

VII. In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that if any person on whom any of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our Heirs and Successors, shall be the sole judges of the circumstances demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

VIII. The warrant of the 5th June, 1905, is hereby revoked.

After a Marine eligible for the Good Conduct Medal under Clause 1 has been awarded 12 years continuous "Very Good" character as under these Regulations will count towards Medal, and if his character should continue to be "Very Good," the Captain of his Ship or the Commandant of his Division, if he considers him deserving thereof, is to enter on his Company Conduct Sheet or Certificate the recommendations provided for under Arts. 828 and 830.

4. Desertion or reduction to the Second Class for Conduct will render a Marine absolutely ineligible for the award of a Good Conduct Medal, except for one reduction within the first five years of a Marine's time, provided that by his conduct he earns his restoration to the First Class within 8 months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 *(a)*.

5. The Admiralty will nevertheless consider any recommendation which may be made, in special circumstances on behalf of a Marine who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a Medal under the ordinary Regulations.

6. If a Marine's conduct should not have been satisfactory during the interval pending the presentation of the Medal, it is to be withheld, and the particulars of the case reported to the Admiralty.

7. Notations on Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

8. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

9. From the date of the award or restoration of a Medal a Marine, provided his character is maintained will commence earning a Gratuity at the rate of 1*l.* a year, which is not to be paid until he completes his time for Pension, unless he is invalided from the Service in the meantime, in which case he will be paid 1*l.* for each completed year that he has served since the Medal was awarded or restore .

To this will be added for each year's service in the following ranks or Acting and Lance Ranks in the case of Non-Commissioned Officers who are subsequently promoted to the substantive Rank after the date of the award of the Medal:—

	£	s.	
Non-commissioned Officer in Class I. ..	2

10. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter, on the Men becoming eligible for the award.

11. If a Marine is awarded the character of "Good" instead of "Very Good," after the grant of a Medal, the period of service during which the character of "Good" is awarded will not count for increase of Gratuity, notwithstanding that he may not have been deprived of the Medal.

12. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz. 5*l.*, will be awarded.

13. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he may be then entitled by service.

14. If a Marine should die after the award of his Medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

15. Any Marine voluntarily quitting the Service before being entitled to a Pension will not be entitled to a Gratuity.

16. In cases where Marines who have completed time for Pension re-engage for a further period of service, and are not at the time of re-engaging entitled to the Maximum Gratuity, such further service may count towards it, provided they in all respects comply with the Regulations.

17. Marines who have been paid the Good Conduct Gratuity for which they are eligible at the date of completing time for Pension, and who subsequently became eligible by further service for a higher rate of Gratuity, may be paid the difference between the amount they have already received and such higher rate. But in no case will more than two payments on account of Good Conduct Gratuity be made to the same Marine.

18. In the case of a Marine who has been paid a Good Conduct Gratuity after completing time for pension, so much of the Gratuity paid as may have been earned by service in excess of 21 years will be recovered from his Naval Pension if he misconducts himself during subsequent service, and becomes ineligible for the award on final discharge.

19. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons on the Company Conduct Sheet, and a copy of this record is to be attached to the next quarterly return. In the case of Marines on shore, the Commandant will similarly record his reasons on Form R. 154.

20. No service can reckon for Medal or Gratuity which does not also reckon for Pension.

21. Imprisonment by the Civil Power shall not prejudice a Marine's claim to Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or by the Commander-in-Chief if abroad.

22. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for Medal Gratuity, provided that, should he be eligible for re-entry, he rejoins as soon as the state of his health will permit, and completes the required service.

23. The service of a Marine who reverts to the corps after serving in the Ship's Police or Sick Berth Staff on probation, will not be considered as broken in continuity with reference to Medal and Gratuity or Pension.

24. In the case of a Marine who has served in the Army prior to joining the Royal Marines, and whose former Army service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; the determining which, regard must be had to the "Register of Service" in the Army as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with Clauses 2 and 3 of this Article.

25. Names of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty on Form S. 218 accompanied by their Service Certificates or certified copies thereof by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Adjutant General, as soon as the Men become eligible for them, and when the approval of the Admiralty has been received, the Medals are to be presented before the Ship's Company by the Captain of the ship, and in the case of Marines on shore, by the Commandants on parade.

1193. A sum not exceeding 400*l.* a year is placed at the disposal of the Admiralty, to be distributed in Annuities not exceeding 20*l.* as rewards for distinguished or meritorious service, to be granted to men before or after discharge to Sergeants who have completed 21 years' service, or have been granted a life pension on account of hurts received in action or otherwise in the execution of duty. Such Annuities may be retained by any recipients who may subsequently attain the rank of Warrant Officer, and may be held in addition to Pension.

2. The names of Sergeants who may be considered eligible for this reward for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to Pension, are to be reported to, and registered in the Department of the Adjutant-General of Royal Marines, in order that when an Annuity becomes vacant it may be granted to the most deserving.

3. The Sergeants selected for this honorary distinction shall be entitled to wear a Silver Medal, having on one side His Majesty's effigy, and on the other the words "For Meritorious Service," and the name of the Sergeant, with the date of its award; and they will not be liable to forfeiture of the Annuity and Medal, except by sentence of a Court Martial or by conviction of felony by the Civil Power.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 159.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article 778, &c., of the King's Regulations and Admiralty Instructions.

(Under the Provisions of Orders in Council of the 13th May, 1901, and 11th February, 1913).

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, pension, or promotion* when not employed.

If called up for Active Service, Officers on this list receive the full pay of their rank, and outfit gratuities not exceeding the following amounts:—

	£
Captains and Commanders and Officers of corresponding relative rank	35

After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Secretary of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in the Fleet at short notice, they must first obtain the approval of the Admiralty.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For Table, *see* p. 951.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore, on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedency of Naval and Military Officers in command of His Majesty's Forces:

a. The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of Admiral, and the Senior Officer in command of the troops, if of the rank of a General, shall have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-General, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

c. The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel, are to continue to take rank, as has heretofore been the case, after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, provide for the purpose, they will not override the precedence which in a few Colonies is conferred upon Military Officers, either by law, or by the terms of Letters Patent from the Crown; which Instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 26th day of August, 1914, in the words following, viz.:—

"Whereas Her late Majesty Queen Victoria was graciously pleased by Her Royal Proclamation of the 17th day of September, 1900, to regulate, according to the scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also, of the awards for all salvage granted to the Crews of Your Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances:

"And whereas we are of opinion that the conditions governing the distribution of the proceeds of Prizes captured from the enemy when such proceeds are granted by Your Majesty to the Officers and Men of Your Majesty's Fleet, require modification to bring them into accord with modern conditions:

"And whereas it is intended that in lieu of the system of distribution of Prize Money described in the above-mentioned proclamation there should be substituted, under regulations and conditions to be hereafter announced, a system of Prize Bounties or Gratuities for more general distribution to the Officers and Men of Your Majesty's Naval Forces:

"We humbly beg leave to recommend that Your Majesty will be graciously pleased, by Your Order in Council, to cancel so much of the above-mentioned Proclamation as relates to the distribution of the net proceeds of Prizes captured from the enemy."

HIS MAJESTY, having taken the said Memorial into consideration, was pleased, by and with the advice of his Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The KING'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of His Majesty's Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas Her late Majesty Queen Victoria was graciously pleased, by Her Royal Proclamation of the 17th September, 1900, to regulate, according to the Scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also of the awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances:

And whereas by an Order in Council dated the 28th August, 1914, His Majesty was pleased to cancel that part of the above-mentioned Proclamation which related to the distribution of the net proceeds of Prizes captured from the Enemy:

And whereas by an Order in Council dated the 29th February, 1916, His Majesty was pleased to declare that money distributable as Prize Bounty for the taking or destroying of any armed Ship of any of His Majesty's enemies should be distributed in the shares mentioned in the said Order:

And whereas it is expedient that certain modifications should be made with respect to the manner in which Commanders serving under Captains in His Majesty's Ships should share, and further that there should be one scale for the distribution of all net proceeds and awards distributable in the nature of Prize Money, arising from all Services as afore said, other than the distribution of the proceeds of the capture of Prize of War:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to cancel the above-mentioned Proclamation of the 17th September, 1900, and the Order in Council of the 29th February, 1916, and to authorize the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, and also of the Awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and all other Monies whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth below:—

"1. The Flag Officer or Officers to have one-thirtieth part of the net amount distributable according to the following conditions and modifications:—

"When there is but one Flag Officer he shall have the entire one-thirtieth part; when two Flag Officers shall be sharing together the Chief shall have two-thirds and the other Flag Officer shall have the remaining one-third of the one-thirtieth part: and when there shall be more than two Flag Officers the Chief shall have half of the said one-thirtieth part and the remaining half shall be equally divided among the Junior Flag Officers.

"Commodores of the First Class, including Captains of the Fleet, to share as Flag Officers.

"Every Commodore having a Captain under him may be esteemed a Flag Officer whether he is Commanding-in-Chief or serving under Command.

"No Flag Officer shall share in any distribution of Prize Bounty unless he was in fact on board one of His Majesty's Ships or Vessels of War actually present at the taking or destroying of the armed enemy Ship in question.

"No Flag Officer, unless actually present at the capture or de-truction of any Pirates or Piratical Ship, Vessel, or Boat, shall share in any distribution of the proceeds or bounty in respect of such Pirates, or of the Crews of such Piratical Ship, Vessel, or Boat.

"No Flag Officer shall share in any remuneration or award conferred or awarded to the Crew of any of His Majesty's Ships or Vessels as salvage, unless he shall have been actually on board the Ship or Vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

"2. Any Officer on board any of His Majesty's Ships or Vessels of War actually present at the taking or destroying of any armed Ship of His Majesty's enemies or otherwise entitled to share in any award who shall have more Commissions than one shall be entitled only to share according to the share allotted to him by the above-mentioned distribution in respect to his superior Commission or Office.

"3. Every Chief of the Staff not of Flag Rank shall share as Captain in Command or Captain not in Command as the case may be.

"4. The Officer or Officers actually in Command of His Majesty's Ships and the Commander next in command in Ships commanded by Captains may divide one-tenth part of the remainder, or, if there is no Flag Officer to share, one-tenth part of the whole amount distributable, in the following proportions:—

"Where the Officer is in Command of a Ship singly entitled to an award, and has not a Commander as Second in Command under him, he shall take the whole one-tenth part.

"Where Commanding Officers of various Ranks, and Commanders serving under Captains as aforesaid share jointly, the one-tenth part shall be so divided into parts as to provide for each Captain Commanding receiving six parts, each Commander Commanding or Commander serving as Second in Command under a Captain, three parts, and each Lieutenant-Commander, Lieutenant, or other Officer, actually commanding, two parts.

"5. After provision shall thus have been made for the Flag share (if any), and for the Commanding Officer or Officers, and others as above specified, the remainder of the net amount distributable shall be distributed in Classes, so that each Officer, Man, and Boy composing the rest of the complements of His Majesty's Ships and Vessels of War, and actually present on board at the time of such Service, and every person present and assisting shall receive shares or a share according to his Class as set forth in the following scale, the relative Ranks mentioned being those laid down in the Regulations and Instructions for the Government of His Majesty's Naval Service, the Instructions for the Government of the Coast-guard Service, and the Regulations for the Government of the various classes of the Reserves, or, if not so laid down, as determined by the Lords Commissioners of the Admiralty.

THE object of the Institution is to provide for the fatherless children of our Seamen and Marines a useful and religious education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vicious in morals.

In the Female Orphan Home there are 130 girls entirely dependent on the funds of the charity (eligible for admission between the ages of seven and eleven years) who are maintained, clothed, and educated; there are in addition 23 girls partially maintained by Greenwich Hospital Funds and 4 under the Royal Patriotic Fund.

The girls are under the guidance of a careful matron and subject to a course of industrial training to qualify them for domestic service. A few girls will join the Secondary School for further teaching.

There are 44 boys (to be increased to 50), maintained from the Funds of the Home, at Swanscombe in Kent.

The Directors depend on voluntary contributions for funds to carry on the Institution. The number of children they can receive depends upon the amount of their Funds. They therefore confidently appeal to the charitable for help in carrying on and extending these works of usefulness, and rescuing from want and misery the fatherless children of those who have served their country, and who, in many cases, whilst thus engaged, have lost their lives in war, or by storm, shipwreck or disease.

Visitors are earnestly invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

The accommodation at Osborne, which will be divided equally between the two Services, will provide for 84 officers.

The usual fees are remitted during the War.

The duration of the stay of officers at Osborne will be determined by the Medical Director-General of the Navy, who will be guided by the reports received from the Medical Officer at Osborne.

Retired officers of the Navy and Army are admitted into Osborne only under the following conditions:—

a. If there is a vacant room at Osborne and there is no pressure for admission of officers on the Active List.

b. That the disease or injury from which the officer is suffering is "directly attributable to the Service."

c. That the officer has retired from the Service within five years from the date of the application for admission.

d. That the Director-General of the Service concerned is the sole judge of the fitness of the case (medically) for admission.

Any officer may obtain information about the Convalescent Home for Officers of the Navy and Army at Osborne by writing direct to the House Governor and Medical Superintendent, Osborne, Isle of Wight.
